Resources Get a Handle on Westwater 2 Wildfire East of Cisco

Grand County, Utah ... A wildfire ignited between Westwater and Cisco on June 14th between 2 and 3 PM in the afternoon. The fire is south of I-70 East of Cisco. The fire has burned up to the cliff walls above the Colorado River. Resources are expected to contain the fire to the cliff tops. The fire is approximately 2600 acres in size. The cause of the fire is currently under investigation.

Presently, there are 3 engines and 1 hotshot crew working the fire. No structures are threatened at this time.
